

## Spooky Snacks - Scary Apple Bites

If you prefer not to sugar coat Halloween you need to try these spectacular spooky snacks that all the family can enjoy!

**What you will need** (make to desired amount)

- Knife
- Apples
- Strawberries
- Nut butter
- Seeds
- Chocolate drops

### Method

1. Firstly, quarter the apples and cut out a 'slice' shape from the middle.

2. Fill the inside with nut butter.

4. Then, slice the strawberries so they fit inside of the apple mouth, use the nut butter to stick the strawberry in so it half hangs out like a tongue.

5. Take your seeds, using the nut butter place them above the strawberry so they touch the top of the apple.

6. Finally, stick on two chocolate drops using the nut butter to create eyes.
